

Is it fair for NCTC to ask Cooke County Taxpayers to pay for a \$14.8 Million Tax Bond??

- ◆ Only One in Ten NCTC Health Science Graduates are from Cooke County. Shouldn't the other Nine in Ten help pay for this \$11.6 Million Building that supports 300-400 students?
- ◆ They want to spend \$257/SF for a two story building. There are Lower Cost Alternatives.
- ◆ NCTC has \$25.1 Million *in the* Bank. Why do they need more Taxes?
