

**North Central Texas College
Board of Regents Meeting
June 30, 2015**

AGENDA ITEM: Consideration of Increase in Full-Time 2015 – 2016 Salaries

The Administration recommends a general pay increase for all full-time employees, to be calculated at 6% of the mid-point of each pay group for employees and faculty, for a total of \$998,961. Approving the recommended increases will allow the Administration to begin preparing contracts for distribution immediately following the August adoption of the budget.
